

APPLICATION PROCEDURES MARKETING AUTHORIZATION (MA) FOR GENERIC DRUGS

(In accordance with Regulation no. 04/2020/CM/UEMOA of 28 September 2020 and Decree no. 2015-602 of 2 September)

No pharmaceutical product for human use may be placed on the market free of charge or at a price in the Republic of Côte d'Ivoire unless it has previously obtained a Marketing Authorization (MA). (Article 18 of Law 2017-541).

An MA application file with the elements listed below must therefore be filed at the AIRP.

ELEMENTS OF THE FILE FOR THE APPLICATION FOR MARKETING AUTHORIZATION

I. The letter of application, drawn up in four (04) copies, shall be sent by the holder of the AMM to the Director-General of the Ivorian Pharmaceutical Regulatory Authority (AIRP), located in Cocody- Riviera Bonoumin, Abidjan, and must include the following information:

- The nature of the request;
- The exact name and address of the requesting laboratory;
- The exact name and address of the Laboratory holder;
- The correct name(s) and address(es) of the manufacturer(s) of the active substance;
- The correct name(s) and address(es) of the laboratory(s) manufacturer(s) of the finished product; The name of the product, the International Common Name (INN),
- The dosage, form and presentation of the product;
- The number of samples deposited.

II. The letter of mandate from the representative agency.

III. One (01) paper and electronic administrative file (module 1) containing the following information:

1. Administrative information

- a. Request/Bid form;
- b. Certification and attestation forms:
 - > The country of origin Marketing Authorization (MA) issued by the competent authority;
 - > The Pharmaceutical Product Certificate issued by the competent authority;
 - > The Lot Analysis Certificate in accordance with that of the samples;
 - > The European Pharmacopoeia Monographs (CEP) Compliance Certification, issued by the European Directorate for Quality of Medicines and Health Care (EDQM), where applicable;
 - > Confirmation of the pre-qualification of the PA or finished pharmaceutical product from the

World Health Organization (WHO-CPQ), if applicable.

c. Compliance and Manufacturing Site Information:

- > The Certificate of Good Manufacturing Practice valid in two (02) copies, issued by F Competent Authority of the country of origin;
- > The valid manufacturing establishment licence issued by the competent authority of the country of origin;
- > The site master file of the finished product manufacturing site (**electronic version only**).

d. Other administrative information

- > The PGHT in F CFA certificate in two (02) copies;
- > The operating licence of the applicant laboratory (operator or holder) issued by the competent authority of the country of origin;
- > Letters authorizing the Regulatory Authority to access the Drug Master Files (DMF)/ Active Substance Master File.

2. Information about the product

- a. The Summary of Product Characteristics (RCP) according to the model available on the AIRP website in French, in word or in editable PDF;
- b. The Summary of Product Characteristics (RCP) of the reference product in French, in word or in editable PDF;
- c. The full-colour mock-up of the patient information leaflet (PIL) in French (in PDF format);
- d. Colour models of all sides of the primary and secondary packaging (in PDF format);
- e. Completed Bioequivalence Information Form (BTIF) for all comparative bioavailability (bioequivalence) pivotal studies ([template available at www.airp.ci](http://www.airp.ci));
- f. The justification for the request to exempt bioequivalence studies with the completed study information form (Biowaver) ([template available on www.airp.ci](http://www.airp.ci)).

IV. One (01) technical file (modules I, II, III, and V)

- This file must be in CTD format in electronic version (CD-ROM/ DVD-ROM/ USB 3.0 Key) in two (02) copies;
- Files in English can be accepted provided that the application letter and PCR are in French;
- The QOS-PD form in both French and English must be completed ([model available on www.airp.ci](http://www.airp.ci));
- The QIS form in French and English must be filled for pre-qualified products (WHO-CPQ), ([model available on www.airp.ci](http://www.airp.ci)).

NB:

- **Any file that does not have the FORMS QOS-PD, QIS, BTIF and BIOWAVER in French and English version, fully filled in, will not be received;**

For pharmaceuticals with MA in the ICH area, **an abbreviated file** will be accepted (Module 1,2 and 3);

- The file must be provided in a flap-over folder with the following information:

- Product trade name and INN;
- Name of the Laboratory holder/operator;
- Name of the representative agency;
- A telephone contact.

V. The final sales model samples

Samples presented in French (primary, secondary packaging and notice in French) or a mock-up with a letter of commitment to provide samples presented in French must be provided. The number of samples depends on the different analyses to be carried out:

® Thirty (30) samples of the finished product (final sales model);

a Samples of the finished product must be accompanied by the Certificates of Analysis of the manufacturing batches submitted for registration. They must be valid **for at least 2/3 of the life of the product**;

NB :

- Bulk packages are not accepted;

For products presented in hospital packaging:

- Box of 100, provide five (05) samples;
- Box of 1000, provide two (02) samples.

- For products with a **PGHT greater than 100 000 F CFA**, provide three (03) samples;

If necessary, the Laboratory will be asked to provide additional samples of the finished product to meet the request of the different expert reports.

VI. The amount of the application fees for MA is set at five hundred thousand (500. 000) CFA francs per form, dosage and presentation.

- The amount is settled by two (02) crossed-out bank cheques, distributed as follows:

- One hundred thousand (100,000) CFA francs to the order of the "RECEVEUR GÉNÉRAL DES FINANCES";
- Four hundred thousand (400 000) CFA francs to the order of "AUTORITÉ IVOIRIENNE DE RÉGULATION PHARMACEUTIQUE".

- For medicines manufactured in the **WAEMU area, the amounts of the MTA application fee are reduced by half (250,000) CFA francs.**

One hundred thousand **(100,000) CFA francs** to the order of the "RECEVEUR GÉNÉRAL DES FINANCES";

One hundred fifty thousand **(150,000) CFA francs** to the order of "IVORIAN AUTHORITY FOR PHARMACEUTICAL REGULATION".

- Provide the original and 4 copies of the cheques

Dr Assane COULIBALY
